Tap Beer

Glass/Jug/Super-Jug

St Arnau Draught ..... $9.5/$21/$35
St Arnau Draught is a classic execution of the traditional Kiwi beer, moderate malt character with caramel notes, low bitterness, subtle fruitiness with a slightly sweet finish.

Mac's Gold ..... $10/$23/$38
Mac's Gold is the talisman of the Mac's family. An all malt lager brewed naturally since 1983 with hints of citrus and sweet malts.

Beck's .....$11.5/$26/$42
Our original Becks is a classic German lager with a distinctive full-bodied taste, fresh 'hoppy' bouquet, golden colour and full, rich head. Adding to its complexity is a slightly fruity but firm crispness and a dry, clean finish.

Emerson's India Pale Ale ..... $13/$29/$47
Pouring a bright amber hue beneath a deep cream coloured head, the aroma hints at caramel and dark toffee balanced with a light citrusy fruitiness. Medium bodied, the palate first offers a marmalade-like combination of ripe citrus and caramelised malts before resiny hops come to the fore and lead into a lingering dry finish.

Mac's Mid Vicious .....$9/$19/$32
Mid Vicious is the little brother of the Mac's Pale Ale Family. This brew cuts the alcohol content in half, yet keeps the hoppy flavour blaring!

Panhead Supercharger..... $13/$29/$46
Hops are where it starts for the born-again craft head and Supercharger APA is where Panhead delivers. This is an All-American show with centennial, Citra and Simpcoe overwhelming your nose, kicking you in the taste buds and departing with more bitterness than a palm Springs divorce. It's a seriously addictive combination.

Emerson's Pilsner ..... $13/$29/$47
A kiwi classic, Pilsner is a showcase for Nelson grown Riwaka hops. Its overt fruitiness begs comparison with Marlborough's worldbeating Sauvignon Blancs. The beer's palate shows a hint of early malt sweetness but develops a lengthy dry finish.

Tokyo Dry ..... $12/$27/$45
A brilliantly clear, light golden coloured beer with a tight head of white foam. Very smooth and refreshing with a crisp dry finish. Along with Pilsner malt, rice syrup is added in the brewhouse to help lighten the overall flavour and give the beer it's crisp finish. Lightly hopped with NZ Green Bullet hops for subtle hop flavour and just the right amount of bitterness to balance the flavour of the malted barley.

Tap Cider

Mac's Cloudy Apple .....$11.5/$25/$41
Crisp apples from Hawkes Bay provide both the clouds and the silver lining in this refreshing cider from Mac's.
