WELCOME

Welcome to Searle Lane, a project that has been in the making since about 1988 when both James & I were sprogs growing up in the Wakatipu basin & first ran into each other at Coronet Peak. Hopefully you've supplied the good company & we can throw in some quality food & drinks to help the night along.

So you can get the most out of your socialising, we've had a shot at creating a menu that you can share with your friends or with that date you're battling to have a conversation with.

Without further ado, let the good times begin..... ***thanks for popping in.***
